## Our Objectives

# YOU ARE OUR NEXT SUCCESS STORY...

### VISION

Stars Educational Network strives for a real intellectual experience for students and teachers, where learning and achievements are treasured by all.

- As a happy caring academy with a friendly/family atmosphere.
- With high standards of work and behaviour.
- In terms of the principle of partnership with parents.
- Believing that children best when home and academy are in harmony.

### MISSION

To promote a quality educational environment that ensures all students opportunities to acquire the skills, knowledge, and attitudes they will need to become successful citizens and lifelong learners. We are Determined to bring revolution in society through education.

## Message

STARS ACADEMY LAHORE is a country-wide project of Academy Network based on partnership between Suggest and Network Associate in terms of Academy Operation Management System that helps the investors receive the services of a comprehensively uniform quality education system, well equipped with professional training programs, well-conceived Administration plans and well-developed finance method besides using propriety marks of the project.

Educationists, individuals or parties who wish to fulfill a desire to own and operate a academy both as a service to Nation and a profitable business will find this project extremely exiting. The Network partners will enjoy the benefits of technical and operational planning. Partners will get immediate support on academic policies, training programs, administrative criteria, admission tests, examination setting, assessment and grading System, marketing guidelines, advices on academy infrastructures etc. We ensure a partnership that will go a long way in achieving mutual goals and objectives.

# WHY BECOME A

ONCE A **PARTNER** AND FOREVER AFTER WE SHALL BE YOUR **REAL PARTNER.**

STARS ACADEMY project aims to develop a network of quality Academys offering standardized education through network alliances in Pakistan. Those who want to have the franchise of Stars ACADEMY, under an Agreement-based license, shall pay the Network Association License Fee (Franchise Fee) and monthly royalty, and receive the some services and support. However, the services and support shall start flowing from the Stars Academy Head Office only after the Association Agreement is signed.

## Management System

The Head office of STARS ACADEMY will provide his franchise a complete Management System through computer software. This software fulfills all requirement regarding Staff, Student, Accounts and Inventory etc.

## Human Resources ...

The Head office of STARS ACADEMY shall support all the selection process of HR and necessary training of the staff along with continual pursuit of professional development and improvement including resource packs, model lesson planners, syllabi breakdown and online help.

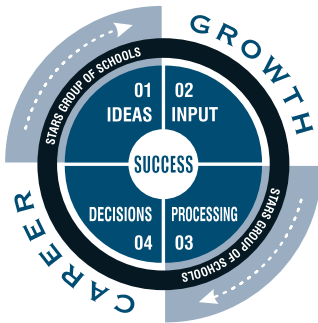

# STARS FRANCHISEE

## Curriculum, Co-Curriculum enrichments

Following the nation curriculum, STARS ACADEMY sets out the program of work to be covered by the children as they progress through the Academy. It covers the core subjects of English, Urdu, Mathematics, Physics, Chemistry, Biology, Islamiyat & Pakistan Studies. We also offer religious education in accordance with the Ministry of Education's agreed syllabus. To make teaching more effective, we ensure professional teacher training programs with major emphasis on lesson planning and examination system.

## Marketing management of the Academy

The Head office of STARS ACADEMY shall undertake the responsibility of centralized marketing for admission at regional or local level through leading newspaper of the country and provide you only designs of specified banners. Posters and signboards of every size with the recommended sites for the display of the same within the city.

## Making of a Academy & Training Programs

The Head office of STARS ACADEMY shall provide all the assistance for the selection of suitable site for the Academy. Also assists the network partner in setting the lay-out of the Academy premisses including requisite alternation besides precise guidelines on Academy furniture, fixtures and equipments etc.

## Stars Android Application

As the requirements of latest ethics of Information Technology we create an Android Apps for that students & parents will be able to benefit & updated from this application.

## Academic Calendar

STARS ACADEMY head office issues a standardized academic calendar to its network before the commencement of every academic year. It provides a chronological view of all the major curricular and co-curricular events planned for the entire academic year. It keeps the Network community aware of what happens when. Especially benefitted are the parents who can plan their life schedules better in line with the definite schedule of their wards' life at Academy.

## Post-Agreement Consultancy

As soon as the Association Agreement is signed, the document entitled "Post Agreement Consultancy Brief" will be handed over to the Network Associate. It contains the following precise information:

- Operation Schedule for Purpose Built Academy (Renovation).
- Operation Schedule for Interior Decoration.
- Installations Computers, CCTV, Communication, Audio/Vedio etc.
- List of Furniture & Fixture for Academy Operation.
- Marketing & Signage and Corporate Colors?
- HR & Management Support
- Training of Staff & Teachers
- Curriculum Booklist
- Support for Inauguration of Campus
- Stars Talent Hunt

## Connectivity across the web

We Create a centralized web portal for the Franchisee to update important information about the Franchise network and our standardized curriculum. Parents and Students will also be able to benefit from this connectivity.

**WE COMMIT  
TO PROVIDE...?**

## Architectural Advice & Support

We will provide you a STARS ACADEMY specific building plan if you want new construction. The minimum land required is 1.5 Kanals for primary (playgroup to V) , 2 Kanals for Middle (playgroup to VIII) and 2.5 Kanals or more for comprehensive (playgroup to X). For renovation or refurbishing we may refer experts if requested.

## Area Selection

Unless you already have an appropriate building of your own with no STARS ACADEMY in certain radius, we will help you in selecting the area for your campus-be it purpose-built or in a rented building.

STARS FAMILY is an independent education system since 1992 that follows national curriculum in accordance with Board of intermediate and secondary Education.
